#### **Auditors' Responsibility**

Our responsibility is to express an opinion on these financial statements based on our audit. CENTER FOR LATINO PROGRESS / CONNECTICUT PUERTO RICAN FORUM, INC.  
HARTFORD, CONNECTICUT  
NOTES TO FINANCIAL STATEMENTS

Note 1 - Accounting Policies:

A. Organization and Activities:

Center for Latino Progress/Connecticut Puerto Rican Forum, Inc. (the "Center"), is a not-for-profit organization formed to advance the socioeconomic conditions of the community at large, with emphasis on Hispanics, through education, training, supportive services, leadership development, and advocacy.

B. Basis of Presentation:

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with generally accepted accounting principles. Net assets and revenues, expenses, gains, and losses are classified based on the existence or absence of donor-imposed restrictions. Accordingly, net assets of the Center and changes therein are classified and reported as follows:

Unrestricted net assets:

Net assets that are not subject to donor-imposed stipulations. Unrestricted net assets may be designated for specific purposes by actions of the Board of Directors.

Temporarily restricted net assets:

Net assets subject to donor-imposed stipulations that may or will be met, either by actions of the Forum and/or the passage of time. When a restriction on a transaction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

C. Estimates:

The preparation of the financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

D. Donated Materials and Services:

The Center receives, at times, donated materials and volunteer assistance from various sources. The donated materials are reflected as contributions in the accompanying statements at their estimated fair market values at the date of their receipt. The Center recognizes donated services if they create or enhance non-financial assets or requires specialized skills and would be typically purchased if not provided by donation. The Center did receive approximately 480 hours of volunteer assistance for the year ended June 30, 2014. No amounts for volunteer assistance have been recognized, in the statement of activities because the criteria for recognition have not been satisfied. There were no donated materials included in the financial statements for the years ended June 30, 2015 and 2014.

NOTES TO FINANCIAL STATEMENTS

Note 1 - Accounting Policies: (Continued)

E. Depreciation:

Property and equipment are capitalized at cost, or if donated, at fair market value at the date of receipt. Depreciation is computed using the straight-line method over the estimated useful lives of the assets (predominantly 5-7 years). Expenditures for additions and improvements are capitalized, and costs for repairs and maintenance are charged to expense as incurred. The Center follows the practice of capitalizing all expenditures for property and equipment in excess of \$500. For the years ended June 30, 2015 and 2014, depreciation was recorded in the amount of \$6,663 and \$6,421, respectively.

F. Tax Status:

The Center is exempt from income tax under Section 501(c)(3) of the U.S. Internal Revenue Code. The Internal Revenue Service classifies the Center as a non-private foundation. There was no unrelated business income for the years ended June 30, 2015 and 2014. As of June 30, 2015 and 2014, the Center has no uncertain tax positions that qualify for either recognition or disclosure in the financial statements. The federal information returns of the Center are subject to examination by the Internal Revenue Service, generally for three years after they were filed.

G. Cash and Cash Equivalents:

The Center holds all its cash in accounts that are subject to immediate withdrawal. The Center considers all highly liquid investments with a maturity of three months or less when purchased to be cash equivalents. During the period covered by these financial statements, the Center has not invested in financial instruments classified as cash equivalents.

H. Comparative Financial Statements:

The financial statements include prior-year summarized comparative information in total, and not by net asset class. Such information does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Center's financial statements for the year ended June 30, 2014, from which the summarized information was derived.

Note 2 - Lease Commitment:

At June 30, 2015, the Center was occupying its current office space on a month-to-month basis. Rental expense for the years ended June 30, 2015 and 2014 was \$36,000 each year.

Note 3 - Allocation of Functional Expenses:

The costs of providing the Center's various programs and supporting services have been summarized on a functional basis in the Statement of Activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited.
